We're keen to welcome you to the Cardiff Academy of Fencing, Wales's only dedicated fencing salle. We can be tricky to find if you've not visited before, so we hope the information below will help. Please note if you're using a SatNav the postcode will get you to the right area, but won't take you all the way to the front door.

Cardiff Academy of fencing is located just south of city centre, in-between the city and the Cardiff Bay.

If driving from West of Cardiff, we suggest you exit the M4 at J33 and follow the A4234 all the way to Central Link. Take the first exit and turn right at the roundabout onto East Tyndal Street. Finally turn right at the roundabout onto Ocean Way.

From the East of Cardiff, use the A48M and take the exit for A4161 and then follow Rover Way until you reach Ocean Way.

Due to long-term bridge repairs, Windsor Road (marked with a red X), which connects Ocean Way to the city centre is currently closed to all users. Those travelling from the city centre should use either Tyndall or East Tyndall Street, following the marked diversions.

As you enter Ocean Park, take the **second left** into the rear carpark (marked in red) next to the outdoor tennis courts and enter at reception (marked with yellow star). As you enter, the stairway directly in front of you takes you to the Academy.
