

COMPETITION COACHING POLICY

The fees for coaching at competitions are outlined below. These are to cover a coaches' expenses including travel, accommodation, food etc. Please note the coaches are still giving up their time for free. The set fee is there to ensure that parents and fencers can plan event costs in advance – though this does mean coaches will end up in profit at some events and out of pocket at others, the idea is that over the course of the season it will all equal out.

- LOCAL EVENTS - £10 per fencer
- NON-LOCAL EVENTS - £20 per fencer
- LONG DISTANCE EVENTS – by arrangement

This fee includes piste-side coaching, and post competition feedback. However, parents and fencers should note that these can't be guaranteed. For example, when multiple DEs occur together, the coach will have to prioritise the bout in which they feel they can have the greatest impact (e.g. fight one 64th vs 1st, fight two 2nd vs 63rd, fight three 32nd vs 33rd – the coach will likely prioritise piste side support fight three).

Warm up lessons will be available where possible and when wanted by the fencer and are included in the price.

Please pay in cash to your individual coach at, or prior to, the event.
